

Adding a student to your existing parent account in Powerschool

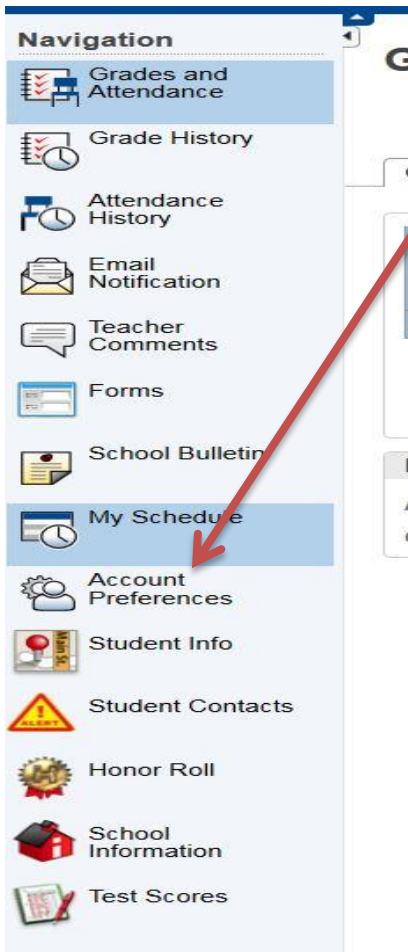

From your internet browser go to the PowerSchool Parent Portal:

<https://ps.irondistrict.org/public>

Click **Sign in** and use the username and password you have already created

The image shows the PowerSchool login interface. At the top, there are two buttons: "Sign In" and "Create Account". A red arrow points from the "Sign In" button to the "Student and Parent Sign In" section. This section includes a "Select Language" dropdown menu set to "English", a "Username" text input field, a "Password" text input field, a "Having trouble signing in?" link, and a "Sign In" button. At the bottom of the section, there is a link for "Parent Account Creation Instructions".

- 1-Click on the Account Preferences tab
- 2-Click on the tab called students
- 3- Click Add on the right

Account Preferences - Students

Profile Students

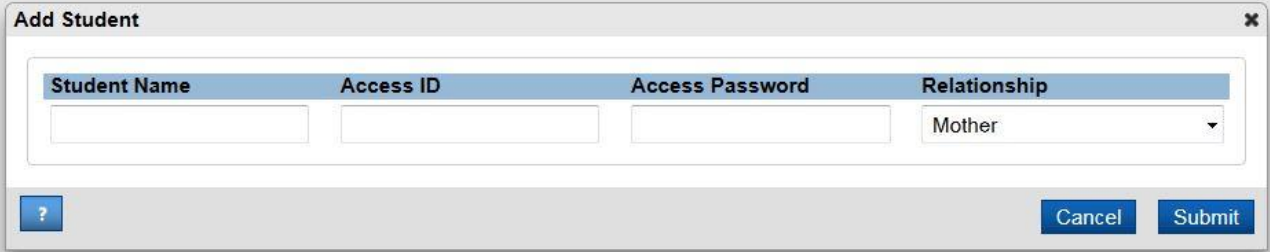

Add

My Students

To add a student to your Parent account, click the ADD button.

1. Ashley Flanigan

Add your student with the Access ID and Access Password provided in the web letter to parents from your child's school and add YOUR relationship to the child and click submit

Student Name	Access ID	Access Password	Relationship
<input type="text"/>	<input type="text"/>	<input type="text"/>	Mother

You can add any additional children the same way and use one login and password to PowerSchool to see all of your children.
