CREATING A BETTER TOMORROW FOR ALL

2077 W. Royal Hurte Dr. • Cedar City, Utah 84720 • (435) 586-2804 • Fax (435) 586-2815

## IMPORTANT MANDATORY DOCUMENT FOR PARENTS OF SCHOOL CHILDREN

PLEASE READ, SIGN YOUR NAME AND RETURN TO SCHOOL

All children who attend school in Utah must have adequate immunizations or an exemption signed by the doctor or Health Department. This is a Utah law. In order to track immunizations, health care providers (doctor's offices, the Health Department) input those immunization dates into the Utah Statewide Immunization Information System (USIIS). You, as a parent, give your permission when you sign your name, when your child gets shots.

The Iron County School District would like to utilize this valuable data base in tracking the shots given to our students. We would also like to input our immunization records into the USIIS system. Because of privacy laws, we must have parents' permission to do this. Only authorized personnel have access to this system.

We want to know if it is okay to put your child's shot records into USIIS. Please say YES or NO. We must have a separate permission slip for each of your children.

YES. I give permission to enter my child's shot record into USIIS

NO. Do not enter my child's shot record into USIIS
