## SUU CONCURRENT ENROLLMENT INSTRUCTIONS

All students interested in participating in Concurrent Enrollment (CE) will apply for admission and register for classes online, utilizing tools similar to a regular university student. The following is intended to assist students, parents, teachers, high school counselors, and coordinators in understanding this electronic enrollment process.

*NOTE: It is important to apply for admission and provide the required transcripts and ACT scores (if applicable) early to take advantage of registration at the earliest possible date. For fall semester, freshmen registration will open mid-April. For spring semester, freshmen registration opens mid-November. We highly encourage students to be registered for fall semester CE courses before they leave school for the summer. We highly encourage students to be registered for spring semester CE courses before they leave for Winter Break. If you didn't do that it is not too late!!*

Students must have a minimum high school GPA of 3.0 for admission to CE. Once admitted, students must maintain a 2.0 SUU GPA to remain in good standing.

Please note that getting ready to receive Concurrent Enrollment credit is a 4 step process (it is best if you plan to pay your admission fee at the time of application – otherwise you will have to wait 24-48 hours for the system to recognize you – if you plan to pay your fee at the time of application have a debit/credit with before you start the process):

**STEP 1)** apply to the university, pay the one time admission fee (\$40), and have the high school submit a transcript – if you are going to take English or Math you will need to also submit evidence of meeting the prerequisites below (please allow two weeks after all is received for the application to be evaluated) – wait two days after submitting your application and proceed to Step 2...if you have already applied to SUU and activated your SUU Portal, please skip to Step 3

**STEP 2)** activate the SUU Portal – once you have activated your portal wait two days and proceed to Step 3

**NOTE:** It is highly recommended that you plan to do step 3 and 4 together (have a method of payment ready before doing Step 3)

**STEP 3)** register for class/es (it is highly suggested that you immediately proceed to Step 4)

**STEP 4)** immediately following Step 3 pay the course fees (\$5 per credit) – if you do not pay immediately you will have to wait two week days for the charges to appear in your portal – you may also mail in payment to the cashier's office (see instructions below)

**OPTIONAL STEP 5)** View your unofficial transcript and/or order an official transcript after the course is finished

If you have already applied to SUU and activated your SUU Portal, please skip to Step 3.
