

Dear Parents and Students:

I hope you are as excited as I am to come back to school. This letter is to provide you with information regarding registration and other important reminders for our upcoming school year. Please take a moment to familiarize yourself with dates and times, and refer back to this packet as the summer comes to an end.

To Do List Prior to Registration

- **School Communication System**
 - Please sign up for the Parent Powerschool App (download on the app store and use district code: blxt)
 - Please sign up for our Remind message system by texting @cedarcityh to 81010. It is very important that you have both of these accounts.
- **Power School Forms**
 - Login to your Parent Powerschool Account and sign the Responsible Use Policy, Safe School Policy, Bullying/Cyberbullying, Hazing Policy, and student handbook. Students will be able to sign after parent/guardian has signed. Please contact the office for login information if you have forgotten.

Registration

We have worked hard to make our registration process as streamlined as possible this year. **It will be important for you to accompany your student to registration in order for your student to receive his/her chromebook (see below)**, however, we encourage you to pay fees online at <https://chs.ironk12.org> (home dropdown, fees) to help reduce the amount of time needed. A checklist is attached for you to refer to during the registration process.

<u>Thursday, August 12th--Seniors</u> 8:00-9:00--Last Name A-H 9:00-10:00--Last Name I-P 10:00-11:00--Last Name Q-Z	<u>Thursday, August 12th--Juniors</u> 12:00-1:00--Last Name A-H 1:00-2:00--Last Name I-P 2:00-3:00--Last Name Q-Z

Chromebooks

We are continuing 1 to 1 with chromebooks this year. Each student will be issued their own chromebook to use for the 2021-2022 school year. Due to the expense of both purchasing and maintaining the chromebook, a contract will be available at registration for you to sign, and must be completed prior to your student receiving his/her device. Optional chromebook insurance is also available to purchase for a yearly fee of \$20. More information concerning the insurance and replacement costs will be available at registration. Students are expected to bring their chromebook charged and ready to go each day. Personal chromebooks/laptops are not allowed.

Dress Code

Educators have found that students who attend daily, come prepared, and are willing to follow school wide expectations for behavior are more likely to succeed in school. We hope that the consequences and interventions designed to help students improve these important skills are understood and supported. Please refer to the document that was sent through remind with details as well as the student handbook on the CHS website for specifics. Here are a *few* items to remember.

- No hats or head coverings.
- Shorts and skirts must reach mid thigh (5 inch inseam)

- Shirts:
 - no belly shirts or exposed midriffs , shoulder strap must be a minimum of 3”, armpit gap can not be greater than 2”, no vulgar language, images, pictures, or illegal substances are allowed on clothing, no apparel that is gang related or appears to be gang related
- Pants must fit appropriately around the waist

A colored copy of what is acceptable and unacceptable was sent home through our school Remind system. For an additional copy, please refer to the CHS website. Please see page 1 for instructions on how to sign up for this very important communication account. Thank you for your cooperation and understanding in following the school dress code.

School Pictures and Student ID Card

School pictures will be taken during registration. All students, whether you purchase them or not, will need to have their picture taken for the yearbook and for school ID cards. Seniors, this year the tux and dress capes will be used. School ID cards are required for entrance to all activities throughout the school year so please make sure that your student is at registration to get his/her picture taken.

Student Handbook

I also ask that you review the school policy handbook found on the CHS website at <https://chs.ironk12.org> (home, policies) which will include our school expectations and their corresponding intervention.

I look forward to working with your students, and know that they will be challenged to do their best while attending Cedar High School. Please contact us at any time with questions or concerns. We are committed to making your experience positive and memorable.

Sincerely,

Terri Sanders
Principal
