1. Welcome: The Cedar High Community Council convened in the large conference room on Tuesday, November 7, 2017. Chairwoman Catherine Webb called the meeting to order at 2:50pm.

2. Informational/Discussion Areas:

- a) Mr. Dodds reviewed previous years budget and expenditures. It was determined that the council would benefit from having current updated budget information on a quarterly basis rather than a yearly basis.
- b) Council discussed and reviewed feedback from the recent CCR Week/Parent Conferences. Council liked the format and flexibility of the meetings but felt better communication with parents could help with the low participation.
- c) Nick Parson notified council of the upcoming Utah College Application Week for seniors to be held November 13-17.

3. Action Items:

- a) Minutes from the September 19, 2017 council meeting were reviewed. A motion for approval was made by John Allred, seconded by Sydney Nakken. Motion was carried to the council and passed unanimously.
- b) Mr. Dodds identified a need for a classroom reduction aide. The council suggested that the aide would fit well with our goal to support students who are at risk of dropping out. A motion was made by Kara Allred to increase funding to the Learning Strategies Goal #2 from our Technology Goal # 5 in the approximate amount of \$3,000.00. Motion was seconded by Brandon Wainwright. Motion carried to the council and passed unanimously.
