Members Absent/Excused: Brigham Nielsen

1. Welcome: The Cedar High Community Council convened in the large conference room on Tuesday, January 9, 2018. Chairwoman Catherine Webb called the meeting to order at 2:52pm.

2. Action Items:

- a) Minutes from the November 7, 2017 council meeting were reviewed and a motion for approval was made by Kristi Holyoak, seconded by Jennifer Brinkerhoff. Motion was carried to the council and passed unanimously.
- b) Council members reviewed the quarterly budget/expenditure report and it was determined that two costs needed to be removed from the Trustland budget. Olivia Merono and Russ Beck payments had been linked to the wrong account.

3. Informational/Discussion Areas:

- a) Principal Dodds reviewed the schools report card, accountability report, ACT scores and End of Level testing. The council noticed low scores for Language Arts End of Levels, however, this information was not reinforced by the ACT scores in that same area. Council also noted that data had become stagnant without significant gains or losses.
- b) Priorities and objectives of the council were discussed as plans for creating the 2018-19 School Improvement Plan began. Specifics were: testing scores, language arts writing, accountability, resolve, study skills, motivation, learning environment, and ability to connect learning to work.
- c) The upcoming CCR Parent Night planned for February 5th was discussed and council members were invited to participate by greeting community members and answering questions about the school.

Meeting Adjourned @ 4:15 pm

Next Meeting: March 6, 2018 @ 2:45 pm
